

Job Board	Overview	Contact
CFP Board	Probably the most well known industry wide specific job board, usually a good number of financial planner positions, but few entry level opportunities.	www.cfp.net
NAPFA	A good place to look for position in fee only firms exclusively, but the number of listings has declined over the years.	www.napfa.org
New Planner Recruiting	A recruiting firm that lists dozens of entry level career opportunities, but very different than a job board in the fact there is an extensive screening process to be eligible for opportunities and once you go through the process once you are eligible for multiple roles without having to complete multiple interview processes.	www.newplannerrecruiting.com
FPA	Much like NAPFA except non fee only firms can post on the FPA job board, a good place to look but number of listings has declined substantially over the years. Few entry level opportunities.	www.financialplanningassociation.org
AICPA	Focus is on Accountants, Auditors and CPAs in general, however there are postings for financial planners occasionally.	www.aicpa.org
CFA Institute	Focus is on traders, portfolio managers, and investment oriented roles in general, however there are postings for financial planners occasionally.	www.cfainstitute.com
SimplyParaplanner	Unique niche job board focused on virtual only workers in financial planning firms focusing on part time back office client service and paraplanner roles.	www.simplyparaplanner.com
eFinancialCareers/FIN S	More general investment focus for roles in hedge funds, and other institutional positions, but postings for financial planners occasionally.	www.efinancialcareers.com
Non Industry Specific		
Linkedin	Social media platform with powerful search capabilities and size due to number of users. Non industry specific, but still a good place to search.	www.linkedin.com
Careerbuilder	Similar to Linkedin, much larger number of listings, but most tend to be sales based positions or for experienced planners.	www.careerbuilder.com
Monster	Similar to Linkedin and Careerbuilder, much larger number of listings, but most tend to be sales based positions or for experienced planners.	www.monster.com
Ziprecruiter	Is a job aggregator that consolidates postings from various sources into one place. Many of the positions found on Linkedin, CareerBuilder, and Monster will show up here.	www.ziprecruiter.com
Indeed	Largest job board aggregator, there can be hundreds of listings for financial planner positions, but take your time to narrow down to ensure a quality opportunity.	www.indeed.com
Snagajob	Additional, job board aggregator that is non industry specific.	www.snagajob.com
SimplyHired	Additional, job board aggregator that is non industry specific.	www.simplyhired.com
Craigslist	This is more of an old school approach, but firms still use this due to the low cost. Upper echelon firms typically do not use this platform or other aggregators.	www.craigslist.com
